

ANNOUNCING

ONLINE MEMBERSHIP RENEWAL WILL OPEN THE WEEK OF FEBRUARY 11, 2008!

Your Association is now offering the “convenience benefit” of online membership renewal and dues payment to members through the FBINAA web site. This online option is available to **all current members** who choose to pay their dues with a credit card versus a personal check. Online is only another option. Renewal and dues payment can still be paid directly through the chapter exactly as it has been in the past.

In connection with offering this new benefit, we are simplifying access to the FBINAA web site, making it more **user-friendly**. Beginning the week of February 11, 2008, your new login credentials will be:

Username: johnsample

Password: your membership card number

Your new password will also be your “lifetime” membership number. It will appear on your 2008 Membership Card. In addition, your new login information will become your “passport” to all member services – **Members Only, Online Shopping (New: “Made To Order” and 5.11 products) and Membership Dues Renewal.**

To renew your membership online:

- Step 1: Keep this page for future reference.
- Step 2: Visit the Association web site at www.fbinaa.org and click on “Membership Dues”
- Step 3: Please verify your contact information by clicking on Edit My Profile. This will ensure mailings from the Association are delivered without delay to include your 2008 Membership Card and the Associate magazine. If no changes are necessary, you can bypass this step.
- Step 4: Click on Membership Renewal. You will be required to enter your new login credentials to access your membership record.
 - a) The first page summarizes your 2008 Dues Invoice.
 - b) Enter your credit card information on the second page.
 - c) The third page is your payment receipt. Please print and retain for your records.

Payment can be made with Visa, MasterCard, Discover or American Express.
