FALL 2010

## Message From President Marshall Williamson

To my dear friends,

The 2010 Summer Conference is over and your Board has already begun to work on the 2011 Conferences. We were pleased to have 80+ members and their families at Shell Island along with more than 25 vendors that helped provide great training, food, gifts and fellowship. Therefore, please remember them as you make decisions for products and services within your agencies.

Where has this year gone? The Spring and Summer Conferences have come and gone. The National conference has passed and it was great seeing approximately 20 NC members in Boston.

Chief Jeff Leonard, Wake Forest PD, will host the Fall 2010 Conference. He is working hard to bring in a great speaker and vendors to offset our costs. Thanks to Jeff and I look forward to seeing you ALL in Wake Forest.

I would like to thank Past President Mike Carver for traveling to the Florida Chapter Conference in August to present them with a proclamation of our gratitude for their support of Joey Reynolds to Section III Rep. last year. Thanks Mike!

Your board continually works to promote our association. **We are growing** and now have 400+ members. **We are building**, not only in members, but also in corporate sponsorships that will provide yearlong support for chapter initiatives. **We are training**; this is evident with the excellent training being provided at association events. **We are encouraging**; you to attend and bring others to events.

Mike Adams and I are preparing for the Section III meeting in September that will give us an opportunity to communicate changes at the national level and among our section. Through this, we hope to get new ideas on how we can better serve you.

My regards to all of you and I'm proud to serve as our organization's president.

Marshall  
2010 President, NC Chapter
