

**FBI National Academy Associates, Inc.
N.C. Chapter
Corporate Sponsorship/Partnership
Program**

At the request of many of our supporters, the FBI National Academy Associates, Inc. N.C. Chapter hereby creates a program whereby our supporters can become **CORPORATE SPONSORS/PARTNERS**. This creates a **WIN/WIN** for our association and our sponsors/partners. This program will allow our sponsors/partners to become engaged with our association yearly and not just for a specific event.

This program will allow our sponsors/partners to submit an annual payment that will automatically afford them the opportunity to participate in events sponsored by the FBINAA, NC Chapter for a calendar year.

The FBINAA, Inc. N.C. Chapter currently conducts three re-trainers at various locations across the state. By establishing and maintaining this program, we can reduce financial burdens from agencies and members and at the same time provide an arena for our sponsors/partners to “showcase” their products. This allows an opportunity for our members to stay up- to- date on the on-going technology changes and give our sponsors/partners the venue to bring their latest changes and additions to their products.

This program will be tiered and designated by the colors **PLATINUM, GOLD, SILVER** and **BRONZE**. Each tier will be afforded event opportunities and free advertisement. Each tier requires a minimum amount for our sponsors/partners.
