Spring 2012

Message From President Mike Adams

Dear Fellow Members,

As the 2012 President I look forward to serving you in the coming year. My goal is to build upon the exceptional work of our previous leadership by continuing to increase our active membership as well as provide more opportunities to offer collaborative, regional training sessions. By teaming up with our peers in other professional law enforcement associations, we can make sure North Carolina's law enforcement community is among the most highly-trained and professional in the country.

In order to achieve these goals we must continue to expand our corporate sponsorships. In the past four years, we have been fortunate to greatly increase the number of corporate sponsors attending our events. I am thrilled by the great strides we've made in this area and hope that you will help Marshall Williamson, Sponsorship Coordinator, continue to get more businesses involved. These sponsors expose us to the latest products and technology, help defray the cost of our training seminars, and ultimately allow us to offer more opportunities to our members.

I appreciate your support and will do all I can to make this association the state's premiere professional law enforcement organization.

Sincerely,
Michael V. Adams
2012 NC Chapter President
